

SUPPORT OUR SCHOOL BAND IT DOESN'T COST YOU ANYTHING

Did you know that you can support our school band when predicting at Norsk Tipping's sale points? When you're predicting, 5 % of you're bet will go directly to our school band . It means that everytime you're predicting for 100 NOK , 5 NOK goes to our budget. It's just 5 NOK for you but it creates new possibilities for us . The best thing is that neither your efforts , prize or chance of winning will be reduced . Grasrotandelen applies to all Norsk Tipping's games except Flax , Extra and Belago . When you're supporting this way , you help achieving both smaller and bigger dreams .

You can help and support us one of the following ways :

- By a commissioner f.example : Narvesen , Kiwi Mortenstrud , Joker Klemetsrud
- By predicting on Norsk Tipping's phone app
 - Norsk Tipping's website
- Or , by sending a message **Grasrotandelen 983985998 to 2020**

Thank you for the support and tell everybody about it so we can reach our goals together .
