Reasonable care: Your responsibility for taking care of yourself and your belongings – safety regulations:

This also applies to spouse or cohabitant (pursuant to section 4-11 in the act on Insurance Contracts)

- Baggage/property shall be properly secured against theft.
- Valuables (se definition in the certificate of insurance) and cash that is left in a vehicle/boat/caravan shall be kept in a separate, locked compartment that cannot be seen into.
- Baggage shall be packed properly and appropriately so that it withstands transportation.
- If baggage is forwarded, the carrier's rules shall be followed.
- The following shall not be sent as forwarded baggage:
 - Photo/video/computer equipment or other electrical, electronic or optical equipment
 - Jewellery, clocks, watches, cash or securities
 - Bottles, fragile items, perishable goods or prescription medicines
- The carrier`s provisions regarding attendance must be followed.
- Journeys starting from offshore installation etc, at least 72 hours must be calculated between the planned arrival at the Heliport and departure with the next means of transport.

If this is not done, the right to compensation may be totally or partly lost, ref. section 4-8 of the Act on Insurance Contracts.

The insurance contract is in Norwegian. Norwegian documents, including the certificate of insurance for members, take precedence. This translated document is based on the Norwegian insurance contract at the issuing date and is intended for information purposes only. It is thus not a valid certificate of insurance.
